Let's work together.

Become a Community Partner: We'll work closely with you to understand your local community, design meaningful experiences for multigenerational families, educate your leadership to be more inclusive of grandparents, and measure — and build on — your success.

Collaborate on Program and Content Development: Whether it's B-Mitzvah rituals, a Jewish grandparenting club, or a skip-gen social justice trip, our extensive network, deep experience, and love for creative approaches will help bring out the best in your community.

Tap into JGN Wisdom: The JGN team offers advice and consultation; give us a call! We're here to help with all your Jewish grandparenting-related ideas and questions.

Join the Network: Don't be a stranger! Join the mailing list and Facebook Group, attend our monthly webinars, and peruse the extensive program ideas in JGN's online Family Room.
